RESEARCH

## 1 BILLION FANS IN 22

**New research suggests Netflix's 'Drive to Survive' and official Formula 1 E-sports events are increasing interest in the championship, which means it could claim one billion fans in 2022.**

"The increase in interest we have seen is hugely encouraging and reinforces F1 as one of the leading global sports properties".

"In particular, the growth in interest among 16-35 year-olds shows that F1's commitment to digital, social and Esports programmes are having a tangible impact."
